

Instructions

Welcome to the BCOA Versatile Basenji Program Application!

You may choose to fill out your application using this paper form, or you may choose to download the interactive spreadsheet application form. In either case, fill out the application page using the Titles List as your guide for the level of credit you receive for each title. Next, save the application and MAIL it to Kristine Dougherty (1006 Waverly Road, Tallahassee, FL 32312-2814) or EMAIL it (kristineleedougherty@gmail.com) . Please attach or include the corresponding proof of titles (copies are just fine).

Please be sure to use a font that is easily readable and has a number "1" that does not look like a lower case "L." Check that you have spelled your dog's name accurately with all the titles that you would like listed on the Award Certificate.

Frequently Asked Questions

Who can apply for these awards?

- The Versatile Basenji Program (VBP) recognizes the accomplishments of any basenji, living or deceased. Owners are *not* required to be BCOA members at the time of application.

Does it cost to apply?

- There is no application fee for VBP awards. All costs are underwritten by the BCOA and dedicated volunteers. Applicants only need to pay for the postage to mail in their application and supporting documents.

What does my dog receive?

- Applicants who meet the criteria of a VBP recognition level will receive a beautiful personalized certificate including the dog's and handler's names and the dog's titles at the time of application. The first time a dog achieves the Versatile Basenji level (or higher), it will also receive a bronze BCOA medallion. On subsequent re-applications for more advanced recognition levels, dogs will receive a beautiful personalized certificate with an updated listing of the dog's titles (no additional medallions). All basenjis recognized by the VBP will be listed on the BCOA websites' Versatile Basenji Program Honor Roll list (please send your dog's picture at the time of application and we will include it on the Honor Roll page!)

What if my basenji died prior to 1980?

- Under its grandfathering clause, the VBP will make criteria allowances for dogs who died prior to 1980 because competitive canine activities were limited at that time. Owners of dogs deceased prior to that year may make a general written application stating the dog's broad accomplishments for review by the Performance Events Committee. Any basenji deceased *after* 1980 must meet the current stated program criteria for each recognition level.

What if my basenji has achieved an award under a previous version of the Versatile Basenji Program but I didn't send it in yet?

- Whenever the VBP undergoes major updates and changes, applicants are afforded a period of one year from implementation of the newer program to continue applying for recognition under the older program's rules. Thus, when the 2014 VBP was implemented on October 1, 2014, applicants were able to apply under the new program rules OR under the old program's rules until October 1, 2015. That period has ended and after October 1, 2015, all applicants must meet the recognition level criteria described in the current VBP program.

How many awards can my dog receive?

- The VBP seeks to reward the lifetime achievement of a dog. That said, owners are encouraged to apply as soon as they achieve a recognition level. Should your basenji progress in competition and meet the criteria of a higher recognition level, owners can re-apply for recognition at the next level(s). It is possible that a basenji could be awarded for each of the seven recognition levels! Some owners prefer to wait for certain milestones before applying, but each qualifying applicant will be acknowledged with a certificate reflecting the dog's achievement at the time of application which includes the dog's titles as

How do I use the Titles List?

- First, go to the Titles List pages and circle all the titles your basenji has achieved. The titles are organized according to a Category, then by Venue, and then by Titling Organization. For example, if your dog has achieved an AKC novice agility title (NA), you would go to the Agility Category, then look for AKC under the Agility Venues; go across to the "Qualifying Title" column, and circle NA (Novice Agility). Repeat for all titles achieved.

How do I determine which award level my dog has earned?

- After circling all the titles that your dog has earned, you need to tally how many titles you have circled in each of the columns for "Entry Titles," "Qualifying Titles," "Intermediate Titles," "Advanced Titles," and "Elite Titles." You also need to note how many different Categories your titles fall within. Please note that only the highest title achieved for any given organization's titling series will count. For example, if your dog has achieved AKC Novice Agility (NA) and AKC Open Agility (OA) titles, you would only count the OA title (an "Intermediate title"). However, if your dog has achieved both the AKC Novice Agility (NA) and the AKC Novice Agility Jumpers (NAJ), then you would count those as TWO "Qualifying titles" within ONE Category. Another example: if your dog achieved its UKC CH, its AKC Junior Courser (JC), and its AKC Rally Novice (RN), you would count THREE "Entry titles" in THREE different Categories. The Application Form lists the *minimum* requirements for each award level: our last example dog just earned its Versatile Basenji Started (VBS) award!

How do I count multiple titles for a single titling organization?

- Please note that only the highest title achieved for an organization's titling series will count. For example, if your dog has achieved AKC Novice Agility (NA) and AKC Open Agility (OA) titles, you would only count the OA title (ONE "Intermediate title"). However, if your dog has achieved both the AKC Novice Agility (NA) and the AKC Novice Agility Jumpers (NAJ) titles, then you would count those as TWO "Qualifying titles" within ONE Category. Another example: If your dog achieved its AKC Novice Agility (NA), its AKC Open Agility (OA), its AKC CH, and its AKC GCH, you would only count the highest title in each of the two titling series; this dog has TWO "Intermediate titles" from TWO different Categories.

How do I count multiple titles for a single Venue?

- While only the highest title achieved within a single organization's titling series is counted, every title earned from different organizations within a single venue DO count. For example, if your dog earns its AKC TD, its CKC TD, and a TD from ASCA, it counts as THREE "Intermediate titles" from ONE Category. Similarly, if your dog earns its AKC CH, its CKC CH, and its IntCH from the IABCA, it counts as THREE "Qualifying titles" from ONE Category. These add up quickly when you are trying to achieve advanced award levels using the Option B.

BCOA Versatile Basenji Program Application Form

Directions: Please complete this application form in its entirety

- 1) Indicate the Award Level for which you are applying & the Option (A or B), if applicable
- 2) On Pages 1-8 of the TITLES LIST, circle the titles that have been achieved
- 3) Mail your completed application, along with COPIES of the titles claimed, to:

Kristine Dougherty, BCOA Versatile Basenji Program

1006 Waverly Road, Tallahassee, FL 32312-2814

- 4) Or, Scan and Email your completed application, along with COPIES of the titles claimed, to:
kristineleedougherty@gmail.com

Dog's Call Name:

BCOA Versatile Basenji Program - Titles List

Don't see your title listed? As the number of dog sports increases, the BCOA Versatile Basenji Program encourages participation by basenjis and their owners to the greatest extent possible. If a sport is not currently listed in the program grid, please contact the Performance Events Committee to find out about using those titles to fulfill requirements. Factors to consider when requesting credit for non-listed sports are: 1) Does the sport have a titling or certification program? 2) Can you provide independent evidence that the requirements of a program has been fulfilled (e.g. a certificate or title issued by a club)? 3) Do you have contact information for the sport and, preferably, links to their electronic rules and regulations that will help the committee assess the requirements and place earned titles into the appropriate program award level?
