

BCOA Versatile Basenji Program - Interactive Application

Application Form Version: 11/30/2022

Congratulations on all your hard work! We're thrilled that you and your dog are applying for an award with the BCOA Versatile Basenji Program. On this form, fill in only the Blue shaded areas. If you have any questions about the program or how to count titles, please refer to the program FAQ.

1. Begin by entering the information about your dog as you would like it to appear on the award certificate.

Suffix Titles			
Dog's AKC #			
Dog's Date of Birth

2. Make a list of all your dog's titles/accomplishments. Cross off all but the highest title within each titling series. The ones left are the ones you'll enter below.
3. Use the "Title Filter" column to help narrow down the long list of recognized titles/accomplishments.
- For example, if you are entering your dog's field champion title, enter FC. The next column is a drop down option and will bring up all titles with "fc" in them.
4. Select the exact "Title" (or accomplishment) you and your dog have achieved. Be sure to select the title for the correct Organization. The form will fill in category, venue, organization, and level.
5. The Versatile Basenji Program award level will be calculated and shown in the Gold box below.
6. Save this file and email it to kristineleedougherty@gmail.com. Be sure to attach proof of each title/accomplishment.
